

FORD ECONOLINE 4X4

-  14_{pax}
-  4_{speed} auto
-  Diesel
-  38"

Ford Econoline 4x4

This Ford is one of the most versatile vehicles in our fleet with high passenger capacity and good off-road abilities. It is modified with bigger tires and four wheel drive to cope with the varied landscape of this volcanic island.

- 14 passengers
- Guide speaker system
- Four wheel drive
- Low range reduction gear
- 38" all terrain tires
- Integrated air-compressor
- 7,3 liter V8 Turbo Diesel
- Optional Navigation system
- Optional WiFi
- Easy access step
- Roof racks, trailers, jerry cans and other accessories can be added
